

Sundown

Starflyer 59

This is the sundown Your bet is lost
You're fading slow
Sundown, the dark has laid you low A rite to save your own
At night to sleep
You take your own Sundown, sundown
Sundown, sundown Your slipping heart
A gray shadow
Sundown, the dark has laid you low A rite to save your own
A rite to save your soul
A rite to save your own
The blackness fiend will take you on Sundown, sundown
Sundown, sundown
