No Lie

2 Chainz (feat. Drake)

"Take a chance on me" she said I'll be here for a while
I should have seen the lies through her smile
Why didn't I lie to you?
Why didn't I lie to you?
All the problems that you've had you'll blame them all on me
Take away my eyes so I can't see you
Why didn't I lie to you?

Why didn't I lie to you?
Take a chance on me again, I'll try and make it right
But I won't hear another lie tonight
And why didn't I lie to you?
Why didn't I lie to you?
Why didn't I lie to you?
Why didn't I lie?
