

# What's Love Got To Do With It

Cosima De Vito

You must understand how the touch of your hand makes my pulse react  
That it's only the thrill of boy meeting girl, opposites attract  
It's physical, only logical  
You must try to ignore that it means more than that  
What's love got to do, got to do with it  
What's love but a second hand emotion  
What's love got to do, got to do with it  
Who needs a heart when a heart can be broken?  
It may seem to you that I'm acting confused, when you're close to me  
If I tend to look dazed I read it someplace, I've got cause to be  
There's a name for it, and there's a phrase that fits  
But whatever the reason you do it for me  
What's love got to do, got to do with it  
What's love but a second hand emotion  
What's love got to do, got to do with it  
Who needs a heart when a heart can be broken?  
I've been taking on a new direction  
But I have to say  
  
I've been thinking about my own protection  
It scares me to feel this way  
What's love got to do, got to do with it  
What's love but a second hand emotion  
What's love got to do, got to do with it  
Who needs a heart when a heart can be broken?  
What's love got to do, got to do with it  
What's love but a sweet old fashioned notion  
What's love got to do, got to do with it  
Who needs a heart when a heart can be broken?  
What's love got to do, got to do with it  
What's love but a second hand emotion  
What's love got to do, got to do with it  
Who needs a heart when a heart can be broken?  
What's love got to do, got to do with it  
What's love but a second hand emotion
