

Get Ya Burners Out

Chamillionaire

(intro)

get ya burners get ya burners (x3)

(get ya burners out)

get ya burners get ya burners

(if you run the south)

get ya burners get ya burners (x3)

(get ya burners)

get ya burners get ya burners (x4)

(here we come again)

mixtape messiah part 3

(chorus)

take a look into the sky you can see its goin down tonight (its goin down tonight yeah)

let em know that its the time for the victory who down to ride? (lemme know if you down to ride yeah)

you know rap will never die its gon live as long as im alive (as long as im alive yeah)

its the mixtape messiah

its the mixtape messiah

its the mixtape messiah tell them haters that its time to hide

(verse)

man dont try to diss and then patch it up

yeah they tried to hate but im platinum plus

i just bought a buildin

and just snatched a bus

they still actin like they dont matchin up

thats wassup yeah thats enough to make me make you look like you're dumb

aint gotta call you an idiot cause you make yourself like like you're one

ask me if i made some money i told her that i made a lil

jack the track from play n skillz go get ya burnas and pay ya bills

to that company in houston that bootleg what i come with

i got 2 million to drop on you in court costs if you touch this

on the cd or i am cpr heard the music ran outta breath

rap game still alive cause i snatched the music up outta death

i dont really mean disrespect to none of yall but i confess

dont compare me to another artist thats rappin now because im the best

(break)

tell em that i said that im the best

(i hear them burnas now)

tell em that i said that im the best

(i hear them burnas now)

tell em that i said that im the best

(i hear them burnas now)

yall know who run the internet

(i hear them burnas now)

(verse)

you couldnt even bring a camera and you mad and you confused
scrath ya head and wonderin how we all got in here with tools
wanna know who break the rules then you should know that im the dude
my promotion game is smooth so my control will be on cruise
you could be the biggest journalist i'll probably look at you
like you crazy if you ask me bout 50 in an interview
cause im bout me and i dont really care about what others do
if it aint bout me then take the question and adjust the question to
i am sure not the rapper that a label can abuse
you can be the biggest bumblebee my buzz get big as you
its part 3 i had come again i just released part 2
its drainin me but its still goin down like water in a pool
(yeah) thats a quarter add a penny count it up if you have to
realize that we the guys with more 26 than your couch do
im not him and im not him so watch who you talkin that mouth to
cause if its money i run harder than yall boys in my house shoes

(chorus)

take a look in to the sky you can see its goin down tonight (its goin down tonite)
let em know its the time for the victory who down to ride? (lemme noe if u down to ride)
you know rap will never die its gon live as long as im alive (as long as I'm alive)

its the mixtape messiah

its the mixtape messiah

its the mixtape messiah tell them haters that its time to hide

(talking)

remember the promise you gave me on part 2

you promise you gon get my album

a real copy

dont download it

dont bootleg it

but this one

go put this in ya streets

download give to ya friends give it to ya partners its whatever

im still in the streets knee deep

mixtape messiah part 3 is what it is

chamillitary is the label

and is still an artist that will lyricaly sleigh you
