

# Tiny Daggers

INXS

Ever stop to wonder  
Should I question  
Move a stone look under  
Should I judge How you have changed my friend  
You're not the same my friend  
Do you lose sleep at night?  
Do you ever stop to think?  
Where it went wrong for you?  
Who turned your reds to blue? Who put those tiny daggers in your heart?  
Who put those tiny daggers in your heart?  
Who put those tiny daggers in your heart? Ever stop to wonder  
I should not question  
Move a stone look under  
I should not judge They say you're never lonely  
They say you're with the best  
But when they turn those lights out  
I bet you spin and turn  
And cry just like the rest  
And cry just like a baby Who put those tiny daggers in your heart?  
Who put those tiny daggers in your heart?  
Who put those tiny daggers in your heart? Ever stop to wonder  
I should not question  
Move a stone look under  
I should not judge No need for desperation  
No need for sweet revenge  
Please try to remember  
The door is always there  
Don't you walk on by?  
The door is always there  
All you wanna do is kick it in  
All you got to do is walk right in Who put those tiny daggers in your heart?  
Who put those tiny daggers in your heart?  
Who put those tiny daggers in your heart? Who put those tiny daggers in your heart?  
Who put those tiny daggers in your heart?  
Who put those tiny daggers in your heart?  
Who put those tiny daggers in your heart?  
Who put those tiny daggers in your heart?  
In your heart?
