

# Love Goes Down the Drain

## The Monochrome Set

The creature from the black lagoon  
He sits inside her warm, wet womb  
He says, "Mirror, mirror, tell me truly:  
Is my hair dank and unruly?  
Down and down and down I go  
When love goes down the drain  
Down and down and down I go  
When love goes down the drain  
The monster from way out in space  
He tears his way up to her face  
He says, "Mirror, mirror, be real candid:  
Does my face need to be sanded?  
The beastly from the foulest end  
He slips around the toilet bend  
He says, "Is this how one ages, ergo,  
Does it happen to all Virgos?"
