

# Blind Dumb Deaf (2)

## Cocteau Twins

[Repeat: x 2]

Blind dumb deafen offends

I was never a part of itAt the bosom

Or the breast

Or the forehead

Or the fist[Repeat: x 2]

Blind dumb deafen offends

I was never a part of itMy mouthing at you

My tongue the stake

I should welt should I hold you

I should gash should I kiss you
