Benjamin

ê¹€ì™„ì„œ

Take me away
I know I could use a rest
I wanna clear up this mess
I need a few days with my good sense
I need a few good days
Benjamin, no, oh...
Benjamin, no, oh...
Benjamin, no...
where did you go?
no, no...
when you were falling from my tree
I was not scared
I thought you'd meet me back up there
it never dawned on me you were home free
it never dawned on me, no...
Benjamin, no, oh...
Benjamin, no, oh...
Benjamin, no...

where did you go?
no, no, no...
Benjamin, no, oh...
Benjamin, no, oh...
Benjamin, no...
where did you go?
no, no...
you said that I could tie you down, no...
you said that I could tie you down, no...
you said that I could tie you down, no...
you said that I could tie you down, no...
take me away
I know I could use the rest
