

Model UN

United Nations

Pick a fight. Don't ask why.

 No rules apply:

 Diplomatic immunity

Setting off the car alarms (the broken glass!)

 The cops will not stop you

 But CIA, FBI, NFL

 Don't let the secrets out!

Running feet, foreign streets, wolves and sheep,

 No one can stop you now!

 That's your city, that's where you call home.

That's why the critics say, ... blahblahblahwhatever...

That's what they call TEENAGE MANIAC STYLE!

 Your life's a joke.

Our lives are holding all the cards.

 You can't touch me.

 You won't believe.

 Nothing could be worse. by emo_kid
