

Best Of Both Worlds

Hannah Montana

Oh yea!

Come on! You get the limo out front

Hottest styles, every shoe, every color
Yea when your famous it can be kinda fun
It's really you but no one ever discovers
In some ways you're just like all your friends

But on stage you're a star
You get the best of both worlds

Chillin' out, take it slow

Then you rock out the show
You get the best of both worlds

Mix it all together and you know that

It's the best of both worlds

The best of both worlds
You go the movie premiers

(Is that Orlando Bloom?)

Hear your songs on the radio

Livin' two lives is a little weird

But school's cool cuz nobody knows
Yea you get to be a small town girl

But big time when you play your guitar
You get the best of both worlds

Chillin' out take it slow

Then you rock out the show
You get the best of both worlds

Mix it all together and you know that

It's the best of both

You know the best of both worlds
Pictures and autographs

You get your face in all the magazines

The best part's that

You get to be who ever you wanna be
Yea best of both

You get the best of both

Come on, best of both
Who would of thought that a girl like me

Would double as a superstar?
You get the best of both worlds

Chillin' out, take it slow

Then you rock out the show
You get the best of both worlds

Mix it all together and you know that

It's the best
You get the best of both worlds

Without the shades and the hair

You can go anywhere
You get the best of both girls

Mix it all together

Oh yea

It's so much better cuz you know

You've got the best of both worlds
