

Bring the Boys Back Home

Pink Floyd

Bring the boys back home
Bring the boys back home
Don't leave the children on their own, no, no
Bring the boys back home Wrong, do it again
Wrong, do it again
Wrong, do it again
(Time to go)
Wrong, do it again Are you feeling okay?
(Wrong, do it again)
Time to go, time to go
Time to go Are you feeling okay?
Time to go, time to go
Time to go
(There's a man answering, but he keeps hanging up)
Is there anybody out there?
