

# Never Go a Day

Jason Nelson

Never go a day without him  
Never go a day without him  
I'll never go a day without him  
He is mine, I am his Never go a day without him  
Never go a day without him  
I'll never go a day without him  
He is mine, I am his Every body sing never go a day without him  
Never go a day without him  
I'll never go a day without him  
He is mine, I am his  
Say it again  
I'll never go a day without him  
Never go a day without him, yeah  
I'll never go a day without him  
He is mine, I am his Say it again  
I'll never go a day without him  
Never go a day without him, yeah  
I'll never go a day without him  
He is mine, I am his One more time  
Say I'll never go a day without him  
Never go a day without him, yeah  
I'll never go a day without him  
He is mine, I am his  
So, he'll never leave me  
And he'll never forsake me  
He'll be with me always  
Even till the end of time Said he'll never leave me  
He'll never forsake me  
Be with me always  
Even till the end of time Say he'll never leave me  
He'll never forsake me  
Be with me always  
Even till the end of time Said he'll never leave me  
And he'll never forsake me, no  
And he'll with me always  
Even till the end of time That's why we say  
I'll ever go a day without him  
I will never go a day without him  
Never go a day without him

He is mine, I am his, oh Never go a day without him  
Never go a day without him  
I'll never go a day without him  
He is mine, I'm his  
Put your hands Your grace and mercy has  
Captured my heart  
Oh, your grace and mercy has  
Captured my heart  
Somebody out there sing that  
Your grace and mercy has  
Has captured my heart  
Say it again  
Your grace and mercy has  
Said it captured my heart  
Come on somebody sing it louder  
Your grace and mercy has  
It captured my heart  
I promise I did not deserve it  
Your grace and mercy has  
It came and grabbed me  
Everybody lift your voice and say  
It has captured my heart  
So we say this to the Lord  
I'm all yours, I'm all yours  
Everybody grab that arm and say  
I'm all yours, I'm all yours, oh, I'm all yours  
Everybody say to the Lord  
I promise you can have all of me  
From the crown of my head to my feet  
Lift your voice and talk to the Lord and say  
I'm all yours  
All of me, the good and the bad  
You can have it all, you can have it all  
I'm all, I'm all yours So we say this to the Lord, say  
I'll never go a day without him  
Never go a day without him  
Never go a day without him  
He is mine, I am his Come on say  
Never go a day without him  
You say I'll never go a day without him  
I'll never  
He is mine, I'm his Now you say it, say  
(I'll never go a day without him  
Never go a day without him  
Never go a day without him

He is mine, I am his) Say it again  
(I'll never go a day without him  
Never go a day without him  
Never go a day without him  
He is mine, I am his) One more time, everybody say I'll never  
Never, oh  
He is mine, I am his) He'll never leave me, never forsake me  
Be with me always  
Even till the end of time
