

# Whose Fist Is This Anyway?

## Prong

Playing for the hate team  
Shut out, cut out of the mainstreamIf you like to play victim  
    You play your part so well  
    That's how we'll treat you  
If it suits you so wellHey now, it's all turning  
    Watch your world burn  
    Hey now, it's all burning  
Watch your world turnPlaying on the hate team  
    Shut out, cut out of the mainstream  
    Playing for the hate team  
    Hate teamHey now, it's all burning  
        Watch your world turn  
        Hey now, it's all turning  
Watch your world burnIf you never felt decent  
    And you feel rather mean  
    Don't wear your hurt so pathetic  
Let your mind set you free, yeahPlayin' on the hate team  
Shut out, cut out of the mainstreamWhose fist is this anyway?  
    Whose fist is this anyway?  
    Whose fist is this anyway?  
Whose fist is this anyway?Whose fist is this anyway?  
    Whose fist is this anyway?  
    Whose fist is this anyway?  
    Whose fist is this anyway?
