

Only Jesus Did It

Tina Campbell

V1: I'm called and i'm chosen forgiven nd redeemed.
im am justified and qualified i am loved by the king.
my past is behind me its a testimony now of someone who was so lost but now i have been found.

And only jesus did it.

only jesus did it.

only jesus did it.

only jesus did it.

He loves everybody even those who others hate.
he's near to the broken hearted and he cares about their pain.
he wants us to be better but he excepts us as we are.
he gives new life to those who ask and perfects us with his love.

And only jesus did it.

only jesus did it.

only jesus did it.

only jesus did it.

Bridge: his mercy found me.

his love it saved me.

his power changed me.

his grace sustained me.(repeats)

And only jesus did it.

only jesus did it.

only jesus did it.

only jesus did it.

Bridge: his mercy found me.

his love it saved me.

his power changed me.

his grace sustained me.

And only jesus did it.

only jesus did it.

only jesus did it.

only jesus did it.

And only jesus did it.

only jesus did it.

only jesus did it.

only jesus did it.

Bridge: his mercy found me.

his love it saved me.

his power changed me.

his grace sustained me.

And only jesus did it.

Only jesus did it.
