

Charm Bracelet

All Girl Summer Fun Band

[chorus]

Charm Bracelet Charm Bracelet, Love affair
Charm Bracelet Charm Bracelet, Love affair

[speaking]

I started collecting my charm bracelet when I was five
I'm not five anymore, but I still have it

[chorus]

My sister has a charm bracelet, too
Only, her's is cooler
One charm is a letter
And it opens up and says "I love you"
I love you!

[chorus]

If you're looking to start a charm bracelet
All you gotta do is go to the store and buy a bracelet
Then start collecting charms wherever you go

[chorus x2]
