

Get Away

77 Bombay Street

It's comin' slow it's in my mind
It takes control and I can't find
 A way to say get away
A thunderstorm inside my head
I close my eyes I'm in my bed
 And all I say is get away
And here she comes she's in the light
 She's beautiful wins every fight
She looks at me right through my eyes
 Get away I told you get away
Get away get away get away get away
 'cause I'm a dangerous man
She makes you laugh she makes you scream
 She shows you things you've never seen
 But all you want is get away
 Get away I told you get away
 Get away get away get away get away
 'cause I'm a dangerous man
And when I'm looking at you and when you're looking at me
 And when you start smilin' at me I lose control
 Get away I told you get away
 Get away get away get away get away
 'cause I'm a dangerous man
