Zero

Evergreen Terrace

My reflection, dirty mirror
There's no connection to myself
I'm your lover, I'm your zero
I'm the face of your dreams of glassSo save your prayers
For when we're really gonna need 'em
Throw out your cares and fly
Wanna go for a ride?She's the one for me
She's all I really need you , you
She's the one for meEmptiness is loneliness
And loneliness is cleanliness
Cleanliness is godliness
And God is empty just like meIntoxicated with the madness
I'm in love with my sadness
Bullshit fakers, enchanted kingdoms
The fasion victims chew their charcoal teethI never let on, that I was on a sinking ship
I never let on that I was downBlame yourself
For what you can't ignore
You blame yourself
For wanting moreShe's the one for me
She's all I really need you, you
She's the one for me
She's my one and only
