

Things God Doesn't Know

Master's Voice

I've heard it said time and again
God knows it all from beginning to end
 The number of hairs on our heads
 The number of days that lie ahead
 But if you're a child of the risen king
 Walking in faith and being redeemed

There are things about you God doesn't know He doesn't know how to love you any less

 Or how to leave you in distress

Doesn't know anything you can't overcome if you hold His hand 'till the journey is done

 Doesn't know how to turn His back on you

 Or hide his grace from your view

No matter what you've heard there things God doesn't know

 Now God knew from the very start

 That his son would have to play a part

 He knew he'd died upon a tree

 He knew he'd rise to settle our plea

 With His knowledge of all these things

 With His wisdom as the King

Still I'm glad there are some things that God doesn't know He doesn't know how to love you any less

 Or how to leave you in distress

Doesn't know anything you can't overcome if you hold His hand 'till the journey is done

 Doesn't know how to turn His back on you

 Or hide his grace from your view

No matter what you've heard there things God doesn't know

 He doesn't know how to love you any less

 Or how to leave you in distress

Doesn't know anything you can't overcome if you hold His hand 'till the journey is done

 Doesn't know how to turn His back on you

 Or hide his grace from your view

No matter what you've heard there things God doesn't know (hi dada)
