

I Do (Wanna Get Close To You) [feat. Loon]

3LW

I like this
And another one
And another one
Bad Boy, baby, 3LW, let's go
Rode up in the club like what
I got the VIP on lock down
Then I saw you starin' at me
The way we started to the back
You make me think that you're the one
Lickin' your lips at me for fun
While the DJ's makin' 'em sweat
Won't you come step to me?
If you wanna get down, baby, I do
Holler at me, baby, oh, oh
If you're rollin' deep tonight
Then I do wanna know you
And if you wanna get down, baby, it's cool
Holler at me, baby, oh, oh
If your love is ridiculous
Then I do wanna get close to you
Your ice, your gear, your sex appeal
Your game so tight, you got me feelin'
Wantin' you alone with me
Is the illest fantasy
You make me feel like wylin' out
Showin' you what it's about, yeah
Got it goin' on uptown
Now, let me see you work it out on me
Wanna get down, baby, I do
Holler at me, baby, oh, oh
If you're rollin' deep tonight
Then I do wanna know you
And if you wanna get down, baby, it's cool
Holler at me, baby, oh, oh
If your love is ridiculous
Then I do wanna get close to you
Oh baby, I see you and me together
Baby, how can I just make you see
I'm the only one you need?
So please, let me know right now
'Cause it's true, I want you
Say that you want me too
Ladies and gentlemen
I know how to make you scream
Like a woman' supposed to
Seems like you wanna get closer
Well, boo, here's the ticket
Come through, we could kick it
One hun' twenty, five foot two [Incomprehensible]
My view with the sickest, it's true, been convicted
I probably needin' a girl, in other words
Ma, I'm due for some kisses, I'm due for some huggin'
And all them dudes that be buggin', I ain't with it

I'm through the thuggin', I'm due for some lovin'
I need a wife in my life and ma, you're lookin' like
You're due for a husband, I choose not to love 'em These chicks runnin' around actin'
Like straight fools in the public
Let's move with the subject
Because I came with a better plot Just play the game and you'll never flop
It's in your brain, you already hot
But you ain't close to my face
So you better stop Oh baby, I wanna get down, baby, I do
Holler at me, baby, oh, oh
If you're rollin' deep tonight
Then I do wanna know you And if you wanna get down, baby, it's cool
Holler at me, baby, oh, oh
If your love is ridiculous
Then I do wanna get close to you Wanna get down, baby, I do
Holler at me, baby, oh, oh
If you're rollin' deep tonight
Then I do wanna know you And if you wanna get down, baby, it's cool
Holler at me, baby, oh, oh
If your love is ridiculous
Then I do wanna get close to you That's cool, don't stop
That's cool, don't stop
I like this one right here, come on
