

Journey To The Center Of The Mind Amboy Dukes

Ramones

Leave your cares behind come with us and find
The pleasures of a journey to the center of the mind Come along if you care
Come along if you dare
Take a ride to the land inside of your mind Beyond the seas of thought beyond the realm of what
Across the streams of hopes and dreams where things are really not Come along if you care... But please realise
you'll probably be surprised
For it's the land unknown to man
Where fantasy is fact
So if you can, please understand
You might not come back Come along if you care
Come along if you dare
Take a ride to the land inside and you'll see How happy life could be if all of mankind
Would take the time to journey to the center of the mind Would take the time to journey to the center of the mind
Center of the mind
