

Desperado

Brujeria

Anden pendejos, vengan conmigo
Para adorar el chivo, y al pinche rey negro Soy tu padre, soy tu miedo
Soy Lucifuego, Soy Satanas
Soy Satanas Anda pendejo y ven conmigo
Yo te hare poderoso
Te dare pisto, viejas y feria Anden babosos, vengan conmigo
Nios perdidos yo tengo tu alma
Mama mi pinche verga [English translate: Desperado] Come on assholes, come with me
To worship the goat, and the fucking black king I am your father, I am your fear
I am Lucifer, I am Satan
I am Satan Come on asshole and come with me
I will make you powerful
I will give you money, women and party. Come on idiots, come with me
Lost children I have your soul
Suck my fucking dick
