

# I Can't Tell You Why

Gianni Partner Feat. Bessie Boni

Look at us baby, up all night  
Tearin' our love apart  
Aren't we the same two people  
Who lived through years in the dark?  
Every time I try to walk away  
Something makes me turn around and stay  
And I can't tell you why  
When we get crazy it just ain't right  
(Try to keep your head, little girl)  
Girl, I get lonely too  
You don't have to worry, just hold on tight  
(Don't get caught in your little world)  
'Cause I love you  
Nothing's wrong as far as I can see  
We make it harder than it has to be  
And I can't tell you why  
No baby, I can't tell you why  
I can't tell you why  
Every time I try to walk away  
Something makes me turn around and stay  
And I can't tell you why  
No no baby, I can't tell you why  
I can't tell you why  
I can't tell you why
