

Become The Fuse

Hatebreed

I won't own the consequence of your deception
Or live within confines of your blame
I can't see your destruction of peace
From the places I know are guarded by belief We may never undo what is ruinous
But we will weather what storms may strike
From this day on may the torch inside always stay
Ignited with burning conviction Oh, become the fuse
Behold the fire of redemption
Oh, become the fuse
Let this be the catalyst of action You know what it takes to be ignited?
So much more to say, so much more to be done
Silence can never be divided
And love will never be enough Believe only some of what you see
Awaken the light you know exists within
You know what is holding you captive
Is in conflict with your perception Oh, become the fuse
Become the fire within
Oh, become the fuse
The strenght to be the catalyst of action Awaken, the dominant force
Awaken, the light within
Awaken, it must be done
Awaken, become the fuse You know what it takes to be ignited?
So much more to say, so much more to be done
Silence can never be divided
And love will never be enough We may never undo what is ruinous
But we will weather what storms may strike
From this day on may the torch inside always stay
Ignited with burning conviction Oh, become the fuse
Behold the power of redemption
Oh, become the fuse
Let this be the catalyst of action Oh, become the fuse
Summon the fire of devotion
Oh, become the fuse
Let this be a life transformation
