# What I Cannot Change (Kaskade Extended Mix)

## LeAnn Rimes

I know what makes me comfortable
And I know what makes me tick
And I when I need to get my way
I know how to pour it on thickCream and sugar in my coffee
Right away when I wake
I face a day, and pray to God
I won't make the same mistakesAll the rest is out of my hands
I will learn to let go what I cannot change
I will learn to forgive what I cannot change
I will learn to love what I cannot change
But I will change, yeah I will change
Whatever I, whatever I canYeah I don't know my father
Or my mother well enough
It seems like every time we talk
We can't get passed the little stuff
The pain is self-inflicted
I know it's not good for me health
Yeah but it's easier to please the world
Then it is to please myselfAll the rest is out of my hands
I will learn to let go what I cannot change
I will learn to forgive what I cannot change
I will learn to love what I cannot change
But I will change, yeah I will change
Whatever I, whatever I canWell I know I can't care about how everyone else really feels
I have enough hurt of my own to healI will learn to let go what I cannot change
I will learn to forgive what I cannot change
I will learn to let go what I cannot change
I will learn to forgive what I cannot change
I will learn to love what I cannot change
But I will change, yeah I will change
Whatever I, whatever I can
