Lovesong

Amiel

its one thing to ask why we break up
have you ever wondered why it is we fall in love
can you tell me
do you know what it is your looking for
what do we need
can you tell me why i care
how is it that we hear that voice that says
i want you there

thanks you can fuel the thought
now i'm more lonely than before
but that's OK
I've just went and made another stupid love song
and thanks you can fuel the thought
now I'm more lonely then before
but that's OK
I've just went and made another stupid love song

in a single moment you might be perfect
and sit in a window of my life
but how much
how much more would i yearn to see
what would i strive to hide
now there will be no compromise
so take it in your stride
i believe you now
with a smile

thanks you can fuel the thought
now I'm more lonely than before
but that's OK
I've just went and made another stupid love song
and thanks you can fuel the thought
now I'm more lonely then before
but that's OK
I've just went and made another stupid love song

look into my eyes
ours is no loves sacrifice
for it has helped us to grow

and I'm sorry i know just how far i have to go alone

thanks you can fuel the thought
now I'm more lonely than before
but that's OK
I've just went and made another stupid love song
and thanks you can fuel the thought
now i'm more lonely then before
but that's OK
I've just went and made another stupid love song
I've just went and made another love song
