

DEMONS

Weekend Money

[Chorus:]When I was 1 and a 2 and a 3 and a 4
I knew I was a special one who had a little more
And they wondered why I was plum, rotten to the core

It was nothin but an itty bitty demon
There's a demon inside a me can I kill it (hell naw)

Can I kill it (hell naw)

Can I kill it (hell naw)

There's a demon inside a me can I kill it (hell naw)

Can I kill it (hell naw)

Can I kill it (hell naw)
