

# Not Enough Hours in the Night

**Doug Supernaw**

Sometimes I wish there were no windows in this room  
The sun comes pouring through those curtains way too soon  
Reminding me it's time to rise and shine  
But you look so good lying there in that old T shirt of mine[Chorus]  
There's not enough hours in the night  
Not enough time to hold you tight  
How time flies when your love  
We lay down and the sun comes up  
I wish that I could set that clock to moonlight saving time  
Cause when it comes to loving you  
there's not enough hours in the nightThey say two people just can't live on love alone  
But girl, if we die trying, what a way to go  
I think I'll call in and say I'm running late  
Hang a blanket on the window  
And steal an hour from the day[Chorus]
