

Lovely Day (Radio Edit)

[Jill Scott](#)

When I wake up in the morning love
And the sunlight hurts my eyes
And something without wanting love
Bears heavy on my mind Then I look at you and the world looks alright with me
Just one look at you
And I know it's gonna be, it's gonna be, it's gonna be
A lovely day (lovely day, lovely day, lovely day)
Lovely day, lovely day, lovely day, lovely day)
A lovely day (lovely day, lovely day, lovely day)
Lovely day, lovely day, lovely day, lovely day, lovely day) When the day that lies ahead of me
Seems impossible to face, to face
When someone else instead of me, me, me
They always seem to know the way Then I look at you and the world all right with me, oh babe
Just one look at you and I know it's gonna be
It's gonna be, it's gonna be
A lovely day (lovely day, lovely day, lovely day,
Lovely day, lovely day, lovely day, lovely day, lovely day)
Oh it's gonna be, yes
A lovely day (lovely day, lovely day, lovely day)
A lovely day
(Lovely day, lovely day, lovely day, lovely day, lovely day)
A lovely day baby (lovely day, lovely day, lovely day,
Lovely day, lovely day, lovely day, lovely day)
A lovely day (lovely day, lovely day, lovely day,
Lovely day, lovely day, lovely day, lovely day)
