I Belong to You (Top Ten Edit)

Building 429

Dead by your unfailing love
Your grace imparted it rings freedom in my soul
So I lift a voice to reach into the heavens
Trying to find a way to say how much I love youYou spoke my world into existence
Designed my mind and soul even knowing
That I would be the one to break your heart
But you sent your only son to be our savior
You sent the living king to be our servant
And bought me with a price I can't imagine
So I belong to youSo let the world crash down all around me
'Cause I'm not affected by all the words that they spew
I only live to sing, praises to my king
I only live to prove how much I adore youBecause
You spoke my world into existence
Designed my mind and soul even knowing
That I would be the one to break your heart
But you sent your only son to be our savior
You sent the living king to be our servant
And brought me with a price I can't imagine
I belong to you
