Look at You Now

Sam Outlaw

Look at you now with your broken heart
Look at you now with your broken heart
Can you pick up the pieces off the ground?Look at you now with your torn up jeans
Look at you know with those torn out seams
Can you tie up all those strands undone?Cause god isn't really on your side
You just think he is
You can try to run, but you can't hide
From those things you did
Look at you now with your, 'shouldve done'
Look at you now with your, 'had some fun'
Can you make up for all those nights you lost?God isn't really on your side
You just think he is
You can try to run, but you can't hide
From those things you didGod isn't really on your side
You just think he is
You can try to run, but you can't hide
From those things you didLook at you now
Look at you now
Oh boyLook at you now
Look at you now
Oh boy
Look at you now
Look at you now
Oh boyLook at you now
Look at you now
Oh boy
