Falling In Love

Balance

Crazy as it may seem
I keep on having this dream
I'm falling in love with you
I'm falling in loveMaybe it's just not our time
But I don't want to leave it behind
I'm falling in love
I'm falling in love with youI'm falling in love
I think I'm falling in love
I'm falling in love
I think I'm falling in loveEven while you're away
I think of you day after day
And there's nothing I can do
I'm falling in love
Don't ever wanna see you upset
Cause I'll be there
To take the next step
Falling in love, I'm falling in loveI'm falling in love
I think I'm falling in love
I'm falling in love
I think I'm falling
I'm falling in loveYou could leave me on a cloud
I'd be walking on air
Don't mind if I think out loud
I want you to care for me
Over and over and over againI'm falling in love
I think I'm falling in love
I'm falling in love
I think I'm falling in love
I'm falling in love
I think I'm falling in love
I'm falling in love
I think I'm falling in love
