You're a Rainmaker

Youâ€™re A Rainmaker
AP Mauro

Here you come - Set on the wings of a wide body bird
Youâ€™re the one - You say it all with a wave not a word

Youâ€™re a star - Ruling the sky and the wind and the land
Yea, you are - Captain Americaâ€™s new right hand man

You stomp the ground and do your dance, with native headdress on
You lull us all into a trance, you spin and then youâ€™re gone

Youâ€™re a rainmaker, thatâ€™s what you say you are
youâ€™re a rainmaker, but we ainâ€™t seen a drop so far

When you speak - You talk the language of medicine men
Tongue in cheek - Fooling your patients each time and again

Like the night - Youâ€™re subtle but sheer so we see who you are
And you fight - Devils and legends and rodeo stars

You stomp the ground and do your dance, with native headdress on
You lull us all into a trance, you spin and then youâ€™re gone

Youâ€™re a rainmaker, thatâ€™s what you say you are
youâ€™re a rainmaker, but we ainâ€™t seen a drop so far
ohhh, ohhh,

Youâ€™re a rainmaker, thatâ€™s what you say you are
youâ€™re a rainmaker, thatâ€™s what you say you are
Youâ€™re a rainmaker, thatâ€™s what you say you are
youâ€™re a rainmaker, but we ainâ€™t seen a drop so far
