Sweet Inspiration

Claudja Barry

I need your sweet inspiration
I need you here on my mind every hour of the day
Without your sweet inspiration
The lonely hours of the night just don't go my way
A man in love needs sweet inspiration
And honey that's all I ask, that's all I ask from you
I gotta have sweet inspiration
You know there's just no telling what a satisfied man might do
If I'm out in the rain baby, in a bad situation
I just reach back in my mind to find sweet, sweet inspiration
Sweet, oh what a power
And I've got the power every hour in the day
I need your sweet inspiration
To go on livin', to keep on givin' this way
Sweet, sweet inspiration
Sweet, sweet inspiration
Sweet, sweet inspiration
Sweet, sweet inspiration
Sweet, sweet inspiration
Sweet, sweet inspiration
Sweet, sweet inspiration
Sweet, sweet inspiration
Sweet, sweet inspiration
