

# Bad Boy

## Cascada

Remember the feelings, remember the day  
My stone heart was breaking  
My love ran away  
This moments i knew i would be someone else  
My love turned around and i felt  
Be my bad boy, be my man  
Be my week-end lover  
But don't be my friend  
You can be my bad boy  
But understand  
That i don't need you in my life again  
Won't you be my bad boy, be my man  
Be my week-end lover  
But don't be my friend  
You can be my bad boy  
But understand  
That i don't need you again  
No i don't need you again

You once made this promess  
To stay by my side  
But after some time you just pushed me a sign  
You never thought that a girl could be strong  
Now i show you how to go on

Be my bad boy, be my man  
Be my week-end lover  
But don't be my friend  
You can be my bad boy  
But understand  
That i don't need you in my life again

Won't you be my bad boy, be my man  
Be my week-end lover  
But don't be my friend  
You can be my bad boy  
But understand  
That i don't need you again  
No i don't need you again
