

The Jerk

Nobodys

I'm sorry for everything i've done.

I was just out having fun and trying to impress my friends.

They planted the ideas in my head, but i'm the one that got in her bed.

And i regret everything i did. I try to say i'm sorry, but you just don't understand.

I try to say i want you back, but you want another man.

I try to say i need you, it just don't work this time.

I lost the only friend i needed to be mine. Cheating isn't nothing new and you know i was never true.

And my excuses, they just don't work.

I know you don't want me back and maybe that's why i act, cause i know i'm a fucking jerk. I try to say i'm sorry, but you just don't understand.

I try to say i want you back, but you got a better man.

My friends can all go to hell, without you i can't breath.

Out of all the girls i had, you're the only one i need.
