Masquerade

Symphony X

Shackled in darkness - the forbidden portrait confined to
it's frame
Unbroken silence - a total misfortune and shameRagin obsession - this mask of oppression, it hides your aggression from view
This tearing suture renounces the love he once knewYour sacrifice this paradise of innocence
Trust the lie - you falsify the line of truth
You disguise your insolence
Don't deny insanity - mediocritySave us from this masquerade of lies
Kings and fools die in ridicule (save us)
Save us from this masquerade of liesA fallen fortress sees him beneath starless skies
Subsiding deeper - the final farewell in his eyesUnspoken hero - distrusted and thrusted within surmise
Seizing intrusion to unveil his clever disguiseYour sacrifice this paradise of innocence
Trust the lie - you falsify the line of truthSave us from this masquerade of lies
Kings and fools die in ridicule (save us)
Save us from this masquerade of lies[Solo]Save us from this masquerade of lies
Kings and fools die in ridicule (save us)
Save us from this masquerade of lies
