I'll Be Alright

Passion Pit

Can you remember ever having any fun
Cause when its all said and done
I always believed we were
But now I'm not so sure
Oh oh oh oh oh oh ooh
I drink a gin and take a couple of more pills
Then my parade will give you chills
Oh honey don't give me up
Oh oh
I know weve had enough
Oh oh oh oh oh oh
You should go if you want to
Yeah go if you want to
Ill be alright
Be alright
Well I've made so many messes
And this love has grown so restless
Your whole lifes been nothing but this
I wont let you go unless
Ill be alright
Ill be alright
I'm so self loathing that its hard for me to see
Reality from what I dream
Now no one believes in me
No not a single thing
My brain is racing and I feel like I'll explode
Youre looking at me from below
This rule wasnt made for you.
Oh oh oh
Just go for someone new
Oh oh oh
You should go if you want to
Yeah go if you want to
Ill be alright
Be alright
Well I've made so many messes
And this love has grown so restless
Your whole lifes been nothing but this
I wont let you go unless

Ill be alright
Ill be alright
Why do I keep hounding on the separate
Has gone home now, warms my thoughts, stumbling
This partys over no it isnt happening
No wind in the sails until my
You should go if you want to
Yeah go if you want to
Ill be alright
Be alright
Well I've made so many messes
And this love has grown so restless
Your whole lifes been nothing but this
I wont let you go unless
Ill be alright
Ill be alright
