

Make Me Smile (Come Up and See Me)

The Wedding Present

Ooh la la ooh la la

You've done it all
You've broken every code
And pulled a rebel to the floor
You've scored again
No matter what you say
Eroded metal - what a bore
Oh blue eyes blue eyes
How come you tell so many lies

Oh oh come up and see me
Make me smile
I'll do what you want
Run on wild

There's nothing left
I've gone and run away
Maybe you'll tarry for a while
It's just a test
A game for us to play
Win or lose it's hard to smile
Resist resist
It's from yourself you have to hide

Oh oh come up and see me
Make me smile
I'll do what you want
Run on wild

There ain't no more
You've taken everything
From my belief in motherhood
Can you ignore my faith in everything
"cause I know what faith is
And what it's worth
Oh away away
And don't say baby you tried

Come up and see me

Make me Smile
Do what you want
Run on wild

Oooh ohh la la ooh ooh la la
Come up and see me
Make me smile
I'll do what you want
Run on wild

Ooh ooh la la ooh ooh la la ooh
