

Bernie's Situation

Disciple

the candy looks so good to me
I just want to taste it
the candy looks so good to me
I just want to break it
I never thought it would end up this way
why didn't I know it would end up this way (James 1:13-14) I'm sick and tired of this ritual fling stuff in my life
that needs sorting
why do I do this to myself
God get in here I need your help (Romans 7:13-25) come to me Bernie run to me Bernie
I never knew you the Bible is true (Matthew 7:21-23) where did everybody go
they were all here just a minute ago
no God no this can not be
I repented at a quarter past three (Luke 16:23)
