

Eyes Of The Squirrel

Primus

The eyes of the squirrel are watching
The eyes of the squirrel are watchingThe eyes of the squirrel are watching
Barry swing his bat
Piano playing cats
Big mouth drunken whoresThe eyes of the squirrel are watching
Drama that's for free
On reality TV
Where's that tuna casseroleThe eyes of the squirrel are watching
The eyes of the squirrel are watchingThe eyes of the squirrel are watching
As we change our minds
At least a half a dozen times
I will lead the reveilleThe eyes of the squirrel are watching
The oil's constant flow
Through the gulf of Mexico
Anyone for battered shrimp?The eyes of the squirrel are watching
The eyes of the squirrel are watchingThe eyes of the squirrel are watching
Some idiot start to fester
Where he shot that child molester
Some call him hero, some call him conThe eyes of the squirrel are watching
Another arrogant ass
Says he's got an N-word pass
What the hell's an N-word passThe eyes of the squirrel are watching
The eyes of the squirrel are watchingThe eyes of the squirrel are watching
Brad and Angeline
Expand their family
Who's gonna be the next octomomThe eyes of the squirrel are watching
Obama wave his pecker
At the infrastructure wreckers
Sayin' what you gonna do about that gun controlThe eyes of the squirrel are watching
The eyes of the squirrel are watching
