

# Sailing Not Selling

Jhene Aiko

[Verse 1: Jhene]

See I got a lot to say  
And I ain't afraid to say it  
Mind on money so it's why I'm tryin' to make it  
Yeah, but the money's what you make it  
Let it make you see where it's gon' take ya  
Hey, you'll be headed nowhere  
Moving so fast you won't even care  
Yeah, but when you get there  
What you gon' do when nobody's there?  
Ay, I know what you're gonna say  
Made it there alone so you don't worry 'bout they  
Hey, but when it all goes away  
You gonna be stuck so what I'm tryna say is  
Don't lose your[Hook]  
Soul

Oh, Let go, let go of your ego  
Don't lose your soul  
Sail your soul

Sailing soul[Verse 2: Jhene]

Is it really worth it?  
You are only hurting yourself  
You will never grow if you lose control over yourself  
(Don't let go)  
If you don't get a hold of yourself  
Then you will end up with no self  
You're Playing the game for the fame in the end  
But what do you gain when you're paying to win?  
You don't

You better keep your soul  
Set sail or get sold, oh[Verse 3: Kanye]  
I sold my soul to the devil that's a crappy deal  
Least it came with a few toys like a happy meal  
This game you could never win  
Cause they love you then they hate you then they love you again  
Get away from me loneliness  
Get away from me misery  
Get away from me fake bitches, I can't take the phoniness  
Get away from me whack tracks

I can only make only hits  
I'm an only child lost in the World  
Where did the lonely kids go when the bell rings  
It's feeling like hell rings  
Bringing me back down  
He's checking my background  
It's ironic whats happening  
Imagine if I didn't have the ends  
I wouldn't have so many imaginary friends  
I'm spaced out dog, I be on that Moon talk  
Wonder if God ask Mike how to moon walk  
I swear to momma wish me and my father talk more  
I stopped visiting around the time I was a sophomore  
I guess everything I hate about me I see in him  
And I ain't finna change, so we'll never agree again  
Just a few things pouring out my soul  
Rosewood, we can see out with our eyes closed
