Me enemies, me unlock it an me bucket an me pop it an me put it pun me enemies
You wont get away from the WRATH THAT COMES WITH ATROCITIES
I got ya where I want ya, NOW my fingers on the triggers and I'M about to SQUEEZE begging me oh plea
Pushing shuving braking bones, try to take my home
Try to roll up in my zone, motha fukaz goin down alone, tension rising in the street
Got ya friends to push ya heat. and when your mission was incomplete, identicles of memories
My enimies, me an lucky cona laket cona baket cona luket enimies
You wont get away from the WRATH THAT COMES WITH ATROCITIES
I got ya where I want ya, NOW my fingers on the triggers and I'M about to SQUEEZE begging me oh plea

If you dide'nt know well now you know

Begging me oh please
Begging me Beggin me
Me enemies, me unlock it an me bucket an me pop it an me put it pun me enemies
You wont get away from the WRATH THAT COMES WITH ATROCITIES
I got ya where I want ya, NOW my fingers on the triggers and I'M about to SQUEEZE begging me oh plea
Me enemies, me unlock it an me bucket an me pop it an me put it pun me enemies
You wont get away from the WRATH THAT COMES WITH ATROCITIES
I got ya where I want ya, NOW my fingers on the triggers and I'M about to SQUEEZE begging me oh plea
