

Ancient Winds (Acoustic Version 2011)

Conquest

Time. It's time to open your own eyes
Gods will accept your sacrifice
Turn around - bloody faces grinning to you
Groaning world is waiting for you[Chorus:]
 Ancient winds are blowing
 They're asking where you going
 Lightings show your way
 You can not stay
 Shining stars are crying
 Damned world is dying
 Abyss calls your name
Universe in flameTime, it's time to bring here a miracle
 Try, you must try but it's so difficult
 Turn around - acid rains are falling down
And now you have to save the Earth[Chorus.]
 [Solo: W. Angel]
 [Chorus.]
