

Think Locally, Fuck Globally

Gogol Bordello

Hei Chavorale
Think locally
Palo mande
Fuck globally I came to New York to start Gypsy punk revolt
Now that it's rockin' so why don't I just go home? Palo mande
Think locally
Hei Chavorale
Fuck globally Think locally
Fuck globally I can't believe back home they failed to understand
That I am simply a chavo kind of man Hei Chavorale
Think locally
Palo mande
Fuck globally Think locally
Fuck globally And if the county we invented will fall from grace
I guess we'll have to fly away in our own space Palo mande
Think locally
Palo mande
Fuck globally Think locally
Fuck globally Party [Foreign Content]
