

# Shit Luck

## Modest Mouse

This plane is definitely crashing  
This boat is obviously sinking  
This building's totally burning down  
And my, and  
my, and my, and my  
And my, and my, and my, and my  
And my, and my, and my, and my  
And my, and my, and my, and my  
And my heart has slowly dried up
