

# The Great Adventure (Re:Created)

[Steven Curtis Chapman](#)

Saddle up your horses  
Started out this morning  
In the usual way  
Chasing thoughts inside my head  
Of all I had to do today  
Another time around the circle  
Try to make it better than the last  
I opened up the Bible  
And I read about me  
Said, I'd been a prisoner  
And God's grace had set me free  
And somewhere between the pages  
It hit me like a lightning bolt  
I saw a big frontier in front of me  
And I heard somebody say, "Let's go"  
Saddle up your horses  
We've got a trail to blaze  
Through the wild blue yonder  
Of God's amazing grace  
Let's follow our Leader  
Into the glorious unknown  
This is a life like no other  
This is the great adventure, yeah  
Come on get ready  
For the ride of your life  
Gonna leave long faced religion  
In a cloud of dust behind  
And discover all the new horizons  
Just waiting to be explored  
This is what we were created for, yeah  
Saddle up your horses  
We've got a trail to blaze  
Through the wild blue yonder  
Of God's amazing grace  
Let's follow our Leader  
Into the glorious unknown  
This is a life like no other  
This is the great adventure  
We'll travel over, over mountains so high  
We'll go through valleys below  
Still through it all, we'll find that  
This is the greatest journey  
That the human heart will ever see  
The love of God will take us far  
Beyond my wildest dreams, yeah  
Oh, saddle up your horses  
Come on, get ready to ride  
Saddle up your horses  
We've got a trail to blaze  
Through the wild blue yonder

Of God's amazing graceLet's follow our Leader  
Into the glorious unknown  
This is a life like no other  
This is the great adventureCome on, this is the great adventure  
Saddle up, saddle up your horses  
We've got a trail to blaze  
Through God's amazing grace
