

Easy Thing

Peter Criss

Love, love is so hard
Love is so hard to find
When love, such an easy thing
Such an easy thing
Such an easy thing to lose, yeah Words, words are so hard
Words are so hard to find
When love, such an easy thing
Such an easy thing
Such an easy thing to lose, yeah When you find your love
Will you know it's real
When you lose it all
Will you really feel love Love, love is so hard
Love is so hard to find
'Cause love's such an easy thing
Such an easy thing
Such an easy thing to lose, yeah When you find your love
Will you know it's real
When you lose it all
Will you really feel love Love, love is so hard
Love is so hard to find
'Cause love, love, such an easy thing, so easy
Such an easy thing, love is so easy
Such an easy thing to lose, yeah, love Love, love, such an easy thing, so easy
Such an easy thing, love is so easy
Such an easy thing to lose, yeah, love, love is so easy to lose Love, love, such an easy thing, so easy
Such an easy thing, love is so easy
Such an easy thing to lose, yeah, love Love, love, such an easy thing, so easy
Such an easy thing, love is so easy
Such an easy thing to lose, love, love is so easy to lose
