## **Easy Thing**

## **Peter Criss**

Love, love is so hard

Love is so hard to find

When love, such an easy thing

Such an easy thing

Such an easy thing to lose, yeahWords, words are so hard

Words are so hard to find

When love, such an easy thing

Such an easy thing

Such an easy thing to lose, yeahWhen you find your love

Will you know it's real

When you lose it all

Will you really feel loveLove, love is so hard

Love is so hard to find

'Cause love's such an easy thing

Such an easy thing

Such an easy thing to lose, yeahWhen you find your love

Will you know it's real

When you lose it all

Will you really feel loveLove, love is so hard

Love is so hard to find

'Cause love, love, such an easy thing, so easy

Such an easy thing, love is so easy

Such an easy thing to lose, yeah, loveLove, love, such an easy thing, so easy

Such an easy thing, love is so easy

Such an easy thing to lose, yeah, love, love is so easy to loseLove, love, such an easy thing, so easy

Such an easy thing, love is so easy

Such an easy thing to lose, yeah, loveLove, love, such an easy thing, so easy

Such an easy thing, love is so easy

Such an easy thing to lose, love, love is so easy to lose
