Baby

Shelby Lynne

Baby, baby
What you got on your mind
You're in a hurryBaby, baby
This ain't nothing new
The world is turningBaby, baby
Let's just let it slide
We got timeBaby, oh baby
I'm your baby
And baby
You are mineTell me, oh tell me
What are your plans
Can I go with youTell me, tell me
If you are going up
I'm right behind youTell me, tell me
The secrets in your eyes
You can't lieOh and tell me, oh tell me
I'm your baby
And baby
You are mineSail me, oh sail me
Let's float away
Take me to heavenSail me, sail me
Write me in your plans
Hurry, hurrySail me, sail me
I'm your puppet
You just pull my stringsBaby, oh baby
I'm your baby
And baby
You are mineBaby, oh baby
I'm your baby
And baby
You are mine
