## New Order

One, two, three, four  
I am for you can enjoy  
I can give you  
(Give me, give me, give me)  
It's a time we love to hate  
(Give me, give me, give me)  
I can give you  
(Give me, give me, give me)  
I am for you can enjoy  
(Give me, give me, give me)  
I can give you  
(Give me, give me, give me)  
It's a time you'd love to hate  
(Give me, give me, give me)  
I can give you  
(Give me, give me, give me)  
(Give me, give me, give me)  
I am for you can enjoy  
I can give you  
(Give me, give me, give me)  
It's a time we love to hate  
(Give me, give me, give me)  
I can give you  
(Give me, give me, give me)  
Give me, give me, give me  
Give me, give me, give me  
Give me, give me, give me  
Give me, give me, give me  
I am for you can enjoy  
I can give you  
(Give me, give me, give me)  
It's a time we love to hate  
(Give me, give me, give me)  
I can give you  
(Give me, give me, give me)  
Give me, give me, give me  
Give me, give me, give me  
Give me, give me, give me  
Give me, give me, give me

Give me, give me, give me  
Give me, give me, give me  
Give me, give me, give me  
Give me, give me, give me  
Give me, give me, give me  
Give me, give me, give me  
Give me, give me, give me  
Give me, give me, give me

I am for you can enjoy

I can give you

(Give me, give me, give me)

It's a time we love to hate

Give me, give me, give me  
Give me, give me, give me  
Give me, give me, give me

Me, me, me

I am for you can enjoy

I can give you

(Give me, give me, give me)

It's a time we love to hate

(Give me, give me, give me)

I will take you

(Give me, give me, give me)

Give me, give me, give me  
Give me, give me, give me

Me

I'm quite determined

And there will be

No more mistakes

No more talking

Give me, give me, give me  
Give me, give me, give me  
Give me, give me, give me  
Give me, give me, give me

I'll bet you hate this

Give me, give me, give me  
Give me, give me, give me  
Give me, give me, give me  
Give me, give me, give me  
Give me, give me, give me  
Give me, give me, give me

I'm quite determined

And there will be

No more mistakes

Like the last one

Give me, give me, give me  
Give me, give me, give me  
Give me, give me, give me  
Give me, give me, give me
